EXPERIENCE

Mindtree Ltd., Hyderabad — Cloud & Infrastructure Engineer

October 2021- PRESENT

Joined as a Trainee in the Orchard Learning Program and now working Full Time for their Microsoft Business Unit .

Knovator Technologies, Surat — React.Js Developer Intern

April 2021- October 2021

During the course I was deployed to two offshore healthcare projects for end to end front-end development.

EDUCATION

P. P. Savani University, Surat — B.Tech

June 2017- May 2021

I hold a Bachelor's Degree with Majors in Computer Engineering.

PROJECTS

WonderMD — React.Js and Tailwind CSS

I worked with the project delivery team as well for the build and containerization for the business requirements, and the core part of my responsibility was to develop the Frontend with API integrations.
